

THE RIVER TOURISM APP

BETWEEN THE PORTS OF

SCHWEBSINGEN and **NAUTIC'HAM**

The mobil App NAVI ' Mosel aims to promote river tourism on the river Mosel, especially between the French port of Basse-Ham (Base de Loisirs Nautic'Ham) and the Port of Schwebsingen in Luxembourg.

It offers boaters and visitors of the region all the practical information related to tourism such as : walks on the Moselle, gourmet tourism (wines, restaurants, local products), hiking, cycling tourism, cultural and military heritage (museums, castles, religious buildings, remarkable sites, etc.).

An interactive map includes all of this geolocated informations, as well as the locations of the locks and their coordinates in order to know their opening hours for pleasure craft.

The NAVI MOSEL App allows you to navigate in French, English or German around our beautiful area.
