CAMPERPARK "OP DEM DEICH" VIANDEN PITCH REGULATIONS

- The Camperpark is open all year round and is for motorhomes only. Stays are only allowed with a valid parking permit. Cars, caravans and tents are not permitted
- There are 16 parcelled parking spaces. Please use the parcelled spaces when parking and avoid driving on the grass. One camper van is allowed per pitch, which must be parked facing the river.
- It is not possible to reserve a parking space.
- Please leave by 3 p.m. at the latest.
- Road traffic regulations apply on the site. Please drive at walking speed on the access road.
- Supply and disposal stations are located next to the pitch: free water disposal / fresh water collection for a fee.
- The power supply is 16 AH Fused and can be obtained for a fee if required, fuel-powered generators are not permitted.
- Disposal of chemical toilets is only permitted at the disposal station.
- Washing of vehicles is not permitted on the camp site.
- Household waste is to be disposed of in the containers provided. Please do not leave any rubbish on the site.
- Open fires are prohibited. Barbecuing with charcoal or other smoke-producing combustibles is not permitted; barbecuing with a gas grill is tolerated. Please show consideration to your neighbours.
- Dogs must be kept on a leash. Please remove dog excrement immediately, also outside the pitch.
- The night's rest period starts at 10PM and ends at 7AM. Out of respects for other guests of the Camper Park, all activities that cause noise should be avoided during these times.

The municipal administration of the town of Vianden wishes you a pleasant stay.
